WHAT WOULD YOU DO?

Solar panel installers are professionals who design and install solar panel systems on residential and commercial buildings. They ensure compliance with local regulations, conduct site evaluations, mount and wire solar panels, connect them to the electrical grid, and perform maintenance and repairs.

SALARY RANGE:

\$49,920 - \$71,000
Mid range High range

The wage range shown is calculated by multiplying hourly rates by a 40-hour work week. Wages can differ. Wage data obtained from the Government of Canada's Job Bank.
